

## McNeilus 10 Yard Concrete Mixer

## McNeilus 10 Yard Concrete Mixer

### CHASSIS:

Make: Sterling  
 Engine: MBE4000-450 12.8L, 450HP @ 1,900 RPM, 1,550 LB/FT @ 1,000 RPM  
 Transmission: Eaton Fuller RTO-16909 ALL  
 Front Axle: MFS-20-133A 20,000 LBS  
 Rear Axle: RT-46-160P R-Series Tandem, 46,000 LBS  
 Rear Suspension: Tuftrac 46,000 LB 2 Stage Rear Spring  
 Brake: Wabco 4S/4M ABS

### McNeilus Body Features:

#### \*Mixer Type

STD	Base Body	Standard Mixer
-----	-----------	----------------

#### Charge Hopper

STD	Hopper Style	Standard
-----	--------------	----------

#### Chute

MANUAL	Chute Swing	Manual
STSTD	Extension, First	Standard, steel
STSTD	Extension, Second	Standard, steel
STD	Foldover	Standard Foldover Handle
MANUAL	Foldover	Manual Operation
TRANS	Foldover	Transitional
MAN	Lock	Manual lock
5	Main	5 ft Main Chute
STD	Miscellaneous	Standard Clevis
FENDERD1	Rack, Extn (First)	Fender mount, driver side (1)
FENDERP	Rack, Extn (Second)	Fender mount, passenger side
STITCHED	Weld, Extensions	Stitched
STITCHED	Weld, Foldover	Stitched
STITCHED	Weld, Main	Stitched

#### Collector

RUBBER	Bib	Rubber
STD	Style	Standard

#### Controls, Mixer

BOX	Cab Configuration	Box
CABLE	Drum	Cable
Y	Drum	Remote Drum Start/Stop

	Capacity	10yards
42	Discharge Opening	42"
1/4	Fins	1/4" (nominal)
BOLTED	Fins, Surge	Bolted
1	Hatch, Bolted	One (1)
1/4	Head	1/4" (nominal)
STD	Profile	Standard
1/4	Skin	1/4" (nominal) Skin Thickness
STD	Tail Cone	3/16 inch thickness nominal
STD	Transmission	Standard Lube
P7300	Transmission	ZF P7300
STEEL	Type	Steel Drum

#### Fenders

STD	Mudflaps, Brackets	Standard
WPL	Mudflaps, Front	White plastic
WPL	Mudflaps, Rear	White plastic
N	Overlap	No
STEEL	Rear	Steel Skin
STS	Rear Supports	Steel, straight
96	Rear Width	96" width over fenders

#### Hydraulics

5.4	Motor	5.4 cubic inch Eaton
STD	PTO Shaft	Standard
5.4	Pump, Main	5.4 cubic inch Eaton
STLRD	Reservoir	Round, steel
PEDF	Reservoir Location	Pedestal, front

#### Lighting

INC	*Lighting Type	Incandescent
STD	Backup Alarm	Standard 12-36V alarm
STT	Fenders, Rear	Stop/Tail/Turn
CHOP	ICC Three Bar	On charge hopper

NONE	License Plate	No License Plate Light
------	---------------	------------------------

**Miscellaneous**

ENG/SP	Decals	English / Spanish
--------	--------	-------------------

**Paint**

TEMP	Category	Standard template
------	----------	-------------------

1L	Configuration	One color, low complexity
----	---------------	---------------------------

**Pedestal, Front**

STD	Pedestal Style	Standard
-----	----------------	----------

1/4	Thickness	1/4" (nominal)
-----	-----------	----------------

**Pedestal, Rear**

KNEE	Bracing	Knee Braces
------	---------	-------------

WIDE	Ladder Platform	Wide
------	-----------------	------

1/4	Thickness	1/4" (nominal)
-----	-----------	----------------

**Water System**

SINGLE	Nozzles, Injection	Single
--------	--------------------	--------

CAST	Tee, Injection	Cast
------	----------------	------

SBV	Valves, Injection	Standard ball valves
-----	-------------------	----------------------

BALL	Washout, Lower	Ball Valve
------	----------------	------------

STD	Water Line Routing	Standard
-----	--------------------	----------

	Water Tank 1	125 gallons, steel
--	--------------	--------------------

TOPSTD	Water Tank 1 Fill	Top fill
--------	-------------------	----------

SIDEMTD	Water Tank 1 Location	Side mount, driver side
---------	-----------------------	-------------------------
